CREATING MEANINGFUL OPPORTUNITIES FOR *growth, healing, AND connection.*

Launching in 2027, the Frank J. Harwood Initiative is a year-long, summer-to-summer youth cohort program combining outdoor adventure, licensed mental health support, and First Responder mentorship. Through nature and shared experiences, this prevention-focused initiative nurtures emotional growth and builds lasting community connections, honoring Harwood's belief in the immense power of simply showing up for a young person so they never have to face life's challenges alone.
